Dear Terry,

I’m more than happy to know that you are coming to China this autumn and interested in the 18th Gymnasiade, which is to be hosted in Jinjiang, Fujian from October 18 to 23, 2020. As far as I know, there will be 18 competition events, mainly including track and field, swimming, football, basketball, etc. More than 6000 athletes are expected to participate in it.

Personally, it is really a rare opportunity for us to watch such a grand international sports event and meet friends from all over the world. Besides, the various scenic spots and historical sites in our city, I do believe, will never disappoint you. Here I sincerely invite you to come to watch the international sports events and experience our local culture.

Looking forward to seeing you then.

Yours,

Li Hua
