61. or      62. are given      63. why      64. to connect/to be connected      65. best

### 第四部分 写作

#### 应用文写作【参考范文】

*Dear Mariam,*

*I'm Li Hua from your English poetry class. I'm writing to ask for your help. The annual English Poetry Writing Competition will be held next month. However, it's a struggle for us to decide on the theme and the style. I know you have a very busy schedule, but I'd be very grateful if you could give us some practical guidance. Meanwhile, we'd like to invite you to be our judge.*

*If possible, shall we meet in your office at 4' o'clock tomorrow afternoon? Looking forward to your early reply.*

*Yours,  
Li Hua*

#### 读后续写【参考范文】

*Terrified, I slowly kept walking, saying, "Come on, good dogs!" Suddenly, one dog dashed up towards me, sinking his teeth into my leg. "Oh, my God, I'm in a dog's mouth and he's trying to swallow me," I thought to myself, with the pain taking my breath away as I felt his teeth in my flesh. I picked up a rock to fight him off, but was nervous that he would go for my neck or that the other one would come to attack me together. Facing these two aggressive dogs, I desperately felt at a loss. Hardly could I step out of the trouble on my own.*

*Just at this critical moment, a pickup appeared, driven by the ranger. Seeing the state I was in, he immediately stopped his pickup, opened the door, and signaled to me to get in. When we reached the base, he helped me bandage the leg up, earnestly reminding me that safety comes first while travelling. I felt relieved and grateful. And from then on, I travel carefully as well as cautiously. After all, nothing is more precious than life.*
