## The 15th Campus Art Festival of Our School

Last Sunday witnessed the 15th campus art festival organized by the Students' Union, which enjoyed great popularity among students and teachers.

Themed at "Harmonious campus and Artistic campus", the festival turned out to be a feast for ears and eyes as well as minds. Students and teachers showed great enthusiasm and took an active part in the singing competition and artwork exhibition, which undoubtedly added color to our campus life. To our great delight, many students were awarded with prizes for their wonderful presentations which gave an aesthetic pleasure to all those present.
