即学即用

Complete the passage with proper words or expressions.

The United States of America (USA), commonly known as the United States (U.S. or US) or America, is a country consisting of 50 states. Its capital is Washington, D.C., and the largest city by population is New York, which is famous for the Statue of Liberty. Since the 19th century, the U.S. has taken the place of the United Kingdom to become a global superpower. To its credit, the highly developed country has the world's largest economy. A leading political, cultural, scientific and educational force internationally, it attracts businessmen, scientists, and students all over the world.
