One Sample:

Lin Qiaozhi, a specialist in women's diseases, devoted her whole life to her patients. Though living at the time when girls were less important than boys in education, she managed to get medical training. Thanks to her, 50000 babies were safely delivered. With the help of her book, more babies survived during the birth and taken better care of. No matter how late it could be, and whether she could be paid, and however tired she was, she would never hesitate to help her patients. She is Teresa in China and our angel.
