Take me to your heart **Hiding** from the rain and snow; **Trying** to forget but I won't let go; **Looking** at a crowded street; **Listening** to my own heart beat; So many people all around the world, Tell me where do I find someone like you girl. Take me to your heart take me to your soul. Give me your hand before I'm old. Show me what love is - haven't got a clue. Show me that wonders can be true. They say nothing lasts forever, We're only here today Love is now or never.

Bring me far away.

Take me to your heart take me to your soul.

Give me your hand and hold me,

Show me what love is - be my <u>guiding</u> star,

It's easy take me to your heart. <u>Standing</u>on a mountain high;

**Looking**at the moon through a clear blue sky;

I should go and see some friends.

But they don't really comprehend.

Don't need too much <u>talking</u>without <u>saying</u> anything.

All I need is someone who makes me wanna sing.
