

假定你是Kathy。你的好友Laurie在复出后的第一次全国滑冰比赛中取得第一名的好成绩。现在你写信向她表示祝贺，主要内容包括：

- 1.写信目的；
- 2.肯定她的努力和成就；
- 3.你的打算和对她的祝福。

第1段. 背景+目的

1) I have learned with delight that you have been admitted to/into / be officially enrolled at / be accepted by / Beijing University. So...

2) I am delighted/happy/ delighted to learn that you got the first prize in the English Speech Contest. Congratulations!

3) Congratulations on your making it to... / entering the final of the Chinese Bridge!

4) I am writing to offer my sincerest congratulations on your admission into Beijing University.

5) Learning that you have been admitted to..., I'd like to offer my sincere congratulations to you, which you richly deserve.

第2段:

总领句:

- How exciting it must be for you to realize your ambition after all those years of hard work.
- I know all your achievements came as a result of your endeavors.
- I'm really proud that your years of devotion and determination finally paid off.

我的打算: (对我的激励)

- It's been a real encouragement to me to see your efforts rewarded.
- Inspired, I'd like to...
- And it will hopefully bring out the best in me.
- Seeing your ... will surely inspire me to push myself further.

第3段： 结尾（要具体，就主题而言，不要太虚无缥缈）

1) With my best wishes for your further success.

2) I'm sure that you will make great progress in your study and obtain a bright / promising / rosy future in your life.

3) Wish you greater success/progress in your school career and I'm looking forward to good news from you soon.

4) I'm sure that you will achieve greater success. Once again, please accept my sincere congratulations.

5) Wish you greater progress in Chinese- learning and good performance in the finals!

Dear Laurie,

Delighted to learn that you came first in your first National competition after your comeback, I'm writing to express my sincere congratulations on your success.

I knew all your achievements resulted from your endeavors. Instead of being desperate and complaining the terrible accident, you held a positive attitude and practised for the comeback painstaking. Finally, your efforts paid off, which made you more distinguished.

Congratulations again! Inspired, I'd like to practise ~~more~~ harder and intend to ask for some tips from you. Wish you greatest achievements in your ~~at~~ career.

Yours,
Kathy

Dear Laurie:

Delighted to learn that you came first in your first national skating competition after your comeback, I'm writing to express my sincere congratulations on your success.

I know all your achievements resulted from your endeavors. Instead of being desperate and complaining about the terrible accident, you held a positive attitude and practised **painstakingly** for the comeback. Finally, all your efforts **paid off**, which you richly deserve.

Congratulations again! **Inspired**, I'd like to practice harder and **have** some tips from you. Wish you greater achievements in your career!

Yours,
Cathy

Dear Laurie,

Delighted to learn that you came first in your first national skating competition after your comeback, I'm writing to express my sincere congratulations on your success. **came as a result of**

I know all your achievements **resulted from** your endeavors. Instead of **How exciting it must be for you to realize your ambition after all your hard work!** being desperate and complaining about the terrible accident, you held a positive attitude and practised painstakingly for the comeback. Finally, all your efforts paid off, which you richly deserve.

~~Congratulations again!~~ **Inspired**, I'd like to practice harder and have some **(Seeing your efforts finally paid off,)** tips from you. Wish you greater achievements in your (**skating**) career.

Yours,
Cathy (93)

Dear Laurie,

I'm more than thrilled at the good news that you rank first in your comeback in the National Skating Competition.

Success favors the prepared mind. Beside your passion, it is your determination and hard work that transform the obstacle into your brilliant performance in the rink. Inspired, I'd like to train with you every weeken to improve my ability.

Wish you greater progress and a more promising future.

Yours,

Kathy.

Dear Laurie:

I'm more than thrilled at the good news that you ranked first in the National Skating Competition after your comeback.

Success favors the prepared mind. Besides your passion, it was your determination and hard work that transformed the obstacle into your brilliant performance in the rink.

Inspired, I'd like to train with you every weekend to improve my skills. Wish you greater progress and a promising future!

Yours,

Cathy

(70)

Dear Laurie:

(I hope this letter/email finds you fine.
How is everything going?
How are you doing recently?) I'm more than thrilled at the good news

that you ranked first in the National Skating Competition after your comeback.

(Congratulations (on your success)!)
I'd like to offer/ express/extend/ convey my congratulations on your success!
I'd like to congratulate you on your success!

Success favors the prepared mind. Besides your passion, it was your determination and hard work that transformed the obstacle into your brilliant performance in the rink.

Inspired, I'd like to train with you every weekend to improve my skills. Wish you greater progress (in skating
in your skating career) and a promising future!

Yours,

Cathy

Appreciate and Polish it:

3.你的打算和对她的祝福。

Dear Laurie,

Hearing that you have won the first place in the national competition after your comeback, I'm writing to convey my sincere congratulations on your success!

How exciting it must be for you to realize your ambition after all those **months** of hard work. Not only did you bravely remove every obstacle that got you in the way, you also **kept** practicing despite the pain. Seeing you gliding across the rink smoothly and gracefully, I'm really proud of you!

Inspired, I'm looking to learn skating. **Wish you greater progress in the future.**

in your chosen career

Yours,
kathy.

点评:

- 1.条理清晰，要点齐全，逻辑性强。
- 2.用Not only... also倒装结构把Laurie的hard work很具体地描述出来。
- 2.gliding across the rink smoothly and gracefully言之有物，使得I'm really proud of you更有说服力。
