第四部分 写作

第一节 应用文（满分 15 分）

Dear Alex,

What a relief to hear from you when the COVID-19virus has made its way around the world! As you mentioned in your letter, China has been sparing no effort to fight the battle and our victory is around the corner. So, I'd like to share some measures

which prove effective in practice.

First of all, stay at home and avoid face-to-face contact if possible. Do wear masks once out, and keep a proper distance with others. In addition, wash hands properly and exercise regularly to improve your immune system. Most importantly, everyone should have a positive attitude to the situation. Attitude means everything.

Best wishes.

Yours sincerely,

Li Hua

第二节 读后续写 (满分 25 分)

Paragraph 1:

Grandpa held Sami's hand tightly but a huge wave separated them. Grandpa fought the waves and strived to catch Sami, but failed. Sami was drifted away! He struggled to keep his head above the water. The water pushed him ahead. Fortunately, he caught a palm tree in his courtyard. He panicked and screamed out to Sami but could not see him. He clung to tree tightly while the sea was all around. In hope of seeing Sami, Grandpa climbed higher up the tree. The water carried Sami round and round. (79 words)

Paragraph 2:

"Sami, Sami!" Grandpa cried. "Don't be scared, little one, come to me, quickly." "But Grandpa, I can't swim!" Another wave came with terrifying speed and force. Sami cried in despair. Suddenly, Sami felt himself thrown onto the top of a tree.

He immediately held it! Looking around, he saw everything was terribly destroyed; but in the near distance, his Grandpa was on another tree! Soon it was calm; both Grandpa and Sami came down the trees and rushed to hug each other, then they hugged the trees with tears of gratitude. (78 words)
