The last day, she visited Karl Marx's statue. It seemed strange that the man who had developed communism should have lived and died in London. But she was thrilled by so many wonderful treasures from different cultures displayed in the museum. When she saw many visitors enjoying looking at the beautiful objects on show, she felt very proud of her country.

The next day Pingyu left London for Windsor Castle.

Paragraph 1:*She went on her journey after waking up.*
 The first sight—St. George's Hall attracted her attention. As we all know, American famous actor Meghan Markle and Prince Harry whose wedding ceremony was held in St. George's Chapel loved the splendid and wonderful architecture. Then walking through the passage of Windsor Castle, Zhang Pingyu was amazed by the special landscape design, including rare plants and particular sculpture.

Paragraph 2:*Seeing the marvelous architecture, Zhang Pingyu was shocked.* There followed National diplomatic Hall which was served as a reception room being a cultural relic like the Amber Room. When

prime minister meet distinguished guests, it's no wonder that National diplomatic Hall is a suitable place to choose. Next, Outdoor Courtyard was another part of Windsor Castle where you could see special royal soldiers. They were a pretty scenery line, wearing the same old-fashioned uniform. In conclusion, the three parts were tourist attractions that Zhang Pingyu couldn't miss in Windsor Castle.
