lights, several minor accidents such as falling over an object have happened in the park.

This park is very popular with the residents and a brighter lit park will encourage more to use it optimally. May I suggest that the city council look into installing lights along the small lanes to allow better visibility in the park? Thank you for considering my suggestion.(100 words)

Yours sincerely,

He has tied the tiger's tail to his tail. This is to prevent the tiger from escaping. You will soon have the tiger for dinner."

#### Para.2

*The tiger was shocked to hear this and he was sure now the jackal cheated him.* So, the tiger decided to escape from the terrible animal standing inside his cave. He started running. He forgot about the jackal. He dragged the jackal over rocks and thorns. In the mad escape the jackal was caught between two rocks. The tiger pulled with all his might. His tail got cut. The jackal was killed in this incident. The tail-less tiger ran away to another part of the forest. The deer and her young ones left the tiger's cave. They joined their herd safely. Presence of mind and intelligence can save one from dangerous situations.

M: She said your brother put off his wedding by a week. It'll be on July 11 now.

#### TEXT 5

M: I haven't been able to read your message because my cellphone won't work.

W: Will it turn on?

M: No. I am afraid it needs to be charged. I must have left it on the whole night.

TEXT 6

W: How did you like the dishes, sir?

M: Delicious. Everything was excellent here. Thank you!

W: Do you want some coffee or tea, sir?

M: No, thanks, I'm fine. Just have the bill, please. How much is the service charge?

W: Fifteen percent and it's included in your bill. Thank you very much, sir. We look forward to seeing you again.

TEXT 7

W: What is your hobby?

M: I suppose it is scuba diving.

W: Oh, nice! Well, tell me about scuba diving.

M: Well, I haven't been for a while because I have been living in Japan and it's expensive to do it here, but when I was in Thailand I went scuba diving quite a lot. I did quite a lot of scuba diving both in the Gulf of Thailand and the Indian Ocean.

W: How do they compare, the Indian Ocean and the Gulf of Thailand?

M: Well, the Gulf of Thailand is quite polluted and there is a lot of shipping that comes up from Singapore to Bangkok, whereas the Indian Ocean is a lot cleaner.

W: I suppose I'll have to. Do you think it might be something serious?

M: I shouldn't think so. You never know, of course. It might be the engine.

W: I certainly hope not. I want to use the car this evening. Do you think I'll be able to? I mean, will it be ready by then?

M: It might be. It all depends on what the trouble is. Do you think you could give us a call around five? We will know by then.

M: Freedom. I like the fresh air. I like being out on my own. And I just like the feeling of riding on a bike.

M: About 10,000 of them.

W: Well, have you ever taken a special trip on a motorcycle?

M: I've been all over the East Coast of the United States, from Pennsylvania to Florida on a motorcycle.
