At one point, Matt got the upper hand, pinning the wolf to the ground. IMITATION

Possible reactions of the people
《纳尼亚传奇》(The Chronicles of Narnia)

The Naiads and Dryads were scattering in every direction. Lucy was running towards him as fast as her short legs would carry her and her face was as white as paper. Then he saw Susan make a dash for a tree, and swing herself up, followed by a huge grey beast. At first Peter thought it was a bear. Then he saw that it looked like an Alastian, thought it was far too big to be a dog.

泉水精和树精正在四处逃散。露西撒开两条小短腿，飞快地向他跑去，脸色吓得苍白。然后，他看到苏珊冲向一棵树，纵身爬了上去。一只灰色的巨兽在追她。起初彼得以为是头熊。后来又觉得像一只阿尔萨斯犬，但是它体型太大了，不能是一只狗。

Then he realized that it was a wolf – a wolf standing on its hind legs, with its front paws against the tree-trunk, snapping and snarling. All the hair on its back stood up on end. Susan had not been able to get higher than the second big branch. One of her legs hung down so that her foot was only an inch or two above the snapping

teeth. 然后他意识到那是一匹狼——那匹狼用后腿站着，前爪扑在树干上，又咬又吼。它背上的毛全都竖起来了。苏珊爬到第二根大树枝，便无法爬得更高了。她的一条腿荡了下来，脚距离乱咬的狼牙只有一两英寸。

Peter did not feel very brave; indeed, he felt he was going to be sick. But that made no difference to what he had to do. He rushed straight up to the monster and aimed a slash of his sword at its side. That stroke never reached the Wolf. Quick as lightning it turned round, its eyes flaming, and its mouth wide open in a howl of anger.

彼得觉得自己一点也不勇敢，真的，他觉得自己都要吐了。但这丝毫不影响他必须要做的事。他径直向猛兽冲去，把利剑对准了它的一侧砍了过去。那一击没有击中狼。它像闪电一样迅速地转过身来，眼睛冒火，张大了嘴，怒吼着。
