# 邀老外过春节——应用文写作参考范文

Dear Mr. Hall,

Hearing your schedule to stay in China in the coming winter vacation, I'm writing to extend my sincere invitation to you to spend the Spring Festival with my family.

Our family gathering, to be held on the night of February 18<sup>th</sup>, means cosy reunion for us, including my grandparents, uncles and aunts with their kids. We'll have a big feast together, chatting casually. As for activities, setting off fireworks and going to the temple fair never fail to bring laughter. And I suppose the splendid Spring Festival Gala will also be your cup of tea.

Never deprive yourself of such simple pleasures! Looking forward to your early reply.

Yours genuinely,  
Li Hua
