I believe with our joint efforts, we can definitely win the race.

## 第二节 读后续写(满分 25 分)

One possible version:

*I just looked at my friend with disbelief as he told the story of the first day we met. Kyle had planned to kill himself over the weekend. He talked of how he had cleaned out his locker so his Mom wouldn't have to do it later and was carrying his stuff home. Meanwhile, I found he looked hard at me and gave me a little smile. "Thankfully, I was saved. My friend saved me from doing the unspeakable." I heard the gasp go through the crowd as this handsome, popular boy told us all about his weakest moment. When his eyes caught mine, I was able to see tears shimmered in his smiling eyes.*

*I smiled back in tears. Not until that moment did I realize what big difference one small gesture had made to him. I even saw his Mom and Dad looking at me and smiling that same grateful smile. It dawned on me that never should we underestimate the power of our actions. With one small gesture we can change a person's life. For better or for worse.*
