第四部分 写作

第一节 短文改错

“Who would like this \$20 bill?” a well-known speaker asked, $\frac{\text{held}}{\text{holding}}$ up a \$20 bill. $\frac{\text{Hand}}{\text{Hands}}$ started going up. He said, “I am going to give $\frac{\text{them}}{\text{it/this}}$ to one of you $\frac{\text{and}}{\text{but}}$ first, let me do this.” He left it on the ground and $\frac{\text{deliberate}}{\text{deliberately}}$ stepped on it with his shoe again and again. He picked it up, now $\frac{\text{covering}}{\text{covered}}$ with dirt. Still the hands were up in $\frac{\text{the}}{\text{the}}$ air. Because it did not decrease in value and was still worth of \$20.

Many times in your lives, dropped and thrown into the dirt by the decisions you make and the circumstances and the difficulties that $\frac{\text{comes}}{\text{come}}$ your way, you may feel as though you are worthless. But you are still priceless to your family members, $\frac{\text{that}}{\text{who}}$ love you and depend on you.

W: Relax. We have been through the worst part. We are almost there.

Text 2

W: We plan to go skiing this weekend. Can you make it?

M: I'd really like to. But I have been working for more than 2 weeks without seeing my parents. I plan to visit them and take them out for dinner.

Text 3

M: Don't you have a train to catch at 7:00 pm? Why are you at home? It's already 6:20 now!

W: I know, I know. I am still looking for my ID card.

Text 4

W: I heard you received an offer from your dream company. How did it go?

M: It is great. I started working last Monday. I need to finish a two-week training course before being sent to a suitable position.

Text 5

M: I can't find the book borrowed from the library. Maybe I would be on the blacklist if I got it lost. I am thinking of returning a new one to prevent that from happening.

W: Don't worry. I am sure it is somewhere in the house. Let's recheck it.

M: I swear I will keep everything in place from now on.

Text 6

W: Hi Harry. Welcome back. I heard you traveled to Africa. Did you have a good time?

M: It's a long story. I didn't go there for fun. You remember my friend Arthur?

W: Yes, he is also a doctor, right?

M: Yes. He works in "Doctors Without Borders", a non-profit organization. And he persuaded me to join him to work in Africa for a while.
