遣词造句

Group 1: sunburnt; lead to; decade; output

Decades of work in agriculture leads to his sunburnt skin as well as high output in crops.

Group 2: disturbing; rid ... of; pest; nutrition

It is disturbing that the pest is hard to rid of, for which a lot of plants fail to get enough nutrition.

Group 3: thanks to; keep ... free from; hunger

Thanks to Yuan Longping, the new crop keeps many people free from hunger.

Group 4: would rather; focus on; comment

I would rather focus on my own work than comment on others' lives.

Group 5: build up; confuse; be satisfied with

Once you build up confidence, you will be satisfied with your own life and not be confused by others' words.

Zhuang Qiaosheng is the most famous wheat (小麦) scientist in China. Despite a very difficult situation and poor condition, Zhuang focused on his work in wheat research and has made great achievements, leading to much higher grain increase. One of his great discoveries is to keep the wheat free from some diseases, which therefore increases the output. Zhuang is also a pioneer in promoting wheat production in Tibet. Thanks to him, more and more wheat is able to grow there. Zhuang is never satisfied with his work and devotes more than six decades to the wheat study. People comment that he is a hardworking and modest scientist.
