#### Online Safety

To promote students' online safety awareness, an English speech contest was held in our school last Friday.

As is required, each competitor must complete their speech within the given time. Two hours later, outstanding competitors were announced and accepted prizes with pride from our headmaster, which inspired us greatly. Plus, hearing the various opinions accounted by competitors, students realized the importance of online safety.

In a word, the activity is so successful that we students become aware that online safety is an issue that we must always keep in mind.

## 一、评分原则

1. 本题总分为 15 分按 5 个档次给分。
2. 评分时先根据文章的内容和语言初步确定其所属档次，然后以该档次的要求来衡量确定或调整档次，最后给分。
3. 词数少于 60 和多于 100 的从总分中减去 2 分。
4. 评分时应注意的主要内容为：内容要点、应用词汇和语法结构的丰富性和准确性及上下文的连贯性。
5. 拼写与标点符号是语言准确性的一个方面，评分时应视其对交际的影响程度予以考虑。英、美拼写及词汇用法均可接受。
