Many thanks to you again. I hope you will come to China to have a nice trip where you can eyewitness in person the perfect combination of culture and nature. I'm right here waiting for you.

## 第二节：读后续写（满分 25 分）

### One Possible Version

#### Paragraph 1:

*Soon, I was sent to the hospital.* I could see the worried looks with horror and anxiety on the faces of my family. It was surely frightening since there was an arrow sticking out of my neck! Luckily, I had wonderful doctors and nurses who were perfectly calm and totally focused. Inspired by them, I felt complete peace, firmly believing that everything would be fine. Although I was in extreme pain, I held on with the last bit of my strength because I wouldn't let all those who loved me down. I finally made it and the news spread fast in my community.

#### Paragraph 2:

*The bow hunter paid a visit to me the next day.* It turned out that the young hunter who was crazy about thrilling hunting was preparing for the hunting season. Not until the news of accident was broadcast, did he realize what a terrible mistake he had made. He confessed, "The excitement and satisfaction through hunting turned into bubbles in a split second!" He continued. "I am wondering how I can make up for the situation." With great guilt and regret, he made an apology to me. To my joy, this disaster didn't bring doom and gloom but made me believe the most precious present is life and the love and warmth from family and friends.

#### 评分原则

1. 本题总分为 25 分，按 5 个档次给分。
2. 评分时，先根据文章的内容和语言初步确定其所属档次，然后以该档次的要求来衡量，确定或调整档次，最后给分。
3. 所续写短文的词数应为 150 左右（词数少于 130 的，从总分中减去 2 分）。
4. 阅卷评分时，主要从以下四个方面考虑：
  - （1）与所给短文及段落开头语的衔接程度；
  - （2）内容的丰富性和对所标出关键词语的应用情况；
  - （3）应用语法结构和词汇的丰富性和准确性；
  - （4）故事发展的合理性和上下文的连贯性。
5. 拼写与标点符号是语言准确性的一个方面，评分时，应视其对交际的影响程度予以考虑。英、美拼写和词汇用法均可。
6. 如书写较差以致影响交际，可将分数降低一个档次。
7. 对于文中有下划线的词可以有词形的变化。但用不够 5 个划线词的，不能上最高档。原则上每缺少一个规定用词，降一档，但表达内容优秀的，可酌情考虑。

(Text 10)

W: Hello, everyone! I'm Susan. I began to work on the radio at the age of twelve. I used to call up the radio station quite a lot, answer questions and quizzes and all that sort of things. One of the announcers thought my voice was nice so he wanted me to come and work for him.

The first couple of days I had no idea what was going on. There were a great number of microphones in front of my face and I was told to make this show fun and interesting. It was a challenging job because I had to come up with clever ideas at once. But the topics were quite simple. They were mainly about music.

My parents were very proud of me. At the age of twelve, their daughter was a DJ. What could be better than that? I remember they would listen to my program every single time, record it and then listen to it over and over again when they could. It was a big thing to be a radio person then being only twelve.

Now, I'm 17 years old. Some of my friends ask me if I would be a DJ for a long time. Well, I really enjoy it, have a lot of fun and never get fed up with it. But it is a hobby. It is never something I want to do for life.
