## 即学即用

From Mr. Wang's travel journal, I realize my neighbor is fond of travel.

Last summer, he persuaded us to join in his journey to Yunnan Province. He was quite reliable and cared about every detail of the preparation work. Then he chose the route, found the transport and made the schedule. On arriving at the destination, we could hardly wait to breathe the fresh air and admired the snow-capped mountains at a high altitude. We were so excited when we enjoyed the deep valleys and breathtaking views.

Ever since then, we all have preferred the journeys scheduled by him to those arranged by travel agency.
