### 听力部分录音稿

(Text 1)

M: I don't suppose you're free to go skating this evening, are you?

W: Actually I am. I was planning to go to a lecture with my friend Lisa but it was called off.

(Text 2)

M: Did you hear the storm last night? It sounded like it hit something near the hotel.

W: Yes! The factory near the church was hit by lightning.

(Text 3)

M: I promised George I'd meet him after class, but I forgot that I have a meeting with my professor scheduled at that time.

W: I have George's cell phone number.

(Text 4)

M: I'm going shopping now. What do we need for dinner tonight?

W: Just a moment—we have enough potatoes and carrots. We only need onions. Can you go and get some?

M: No problem. I'll go and get them.

(Text 5)

M: Here are two seats for the movie at 6:00 pm.

W: Don't you think these are too close to the movie screen?

M: You're right. But there are no other seats left.

W: Why don't we just wait for the next one? It's only one and a half hours from now.

(Text 6)

W: Hi, Karl. I was really pleased with the present. I'm looking forward to getting this bag. Did you bring anything for Granddad?

M: Of course. He likes growing flowers in the garden. I bought him a T-shirt to wear when he's working outside.

W: Very nice. Did you get your brother a T-shirt, too?

M: No. He was hoping for some comic books, but I brought him a DVD of all his favourite cartoons.

W: Even better.

(Text 7)

W: Time flies when you're having fun. I can't believe it's time for you to go back to China already.

M: It is my home, you know.

W: Don't forget that you'll always have a friend in America.

M: Thank you! I don't think I can come back next summer vacation, though. I'm going to Canada next year.

W: Anyway, we had a really good time with you here. Oh, here's the final boarding call. The plane is going to take off.

M: I will miss you all. Bye.

(Text 8)

W: Great Wall Hotel. What can I do for you?

M: I'd like to book a double room for this weekend.

W: Wait a minute. I'll check and see if there are any available.

M: Thank you.

W: Yes. There are two kinds of double rooms. One is our general room and the other is our standard room. What kind would you like?

M: What's the price difference?

W: Our general room is a double room with a front view—that's 300  *yuan*  per night. The standard one has a back view, and that's 260  *yuan*  per night.

M: I think I'll take the one with the front view then.

W: How long will you be staying?

M: Three nights.

W: And when will you arrive?

M: Friday afternoon.

(Text 9)

W: So John, you told me all about the people in your family. What about their personalities?

M: Well, everyone in my family has a different personality. My younger brother is really funny. No matter what we're doing, he tells jokes.

W: That's great. How about your older brother?

M: Well, he's not so entertaining as my younger brother. He's got a really serious personality. He likes to take photos.

W: I see. How about your dad?

M: My dad is a very hard working man. And now, he has a flower garden as a hobby. He's a really smart guy. His sense of humor is like what you might imagine an old man would have.

W: I see. How about your mother?

M: My mother has a very interesting personality. She loves detective stories.

W: Really?

M: Yeah, she is very interested in figuring out what's happening in those kinds of books and movies, too. She has a personality a little like a detective.

W: Wow. It sounds like you have a very interesting family.

M: Thank you.

(Text 10)

W: For a fun day out for the family, how about taking a trip to the Museum of Fashion in the city of Bath this weekend? The museum shows how fashions have changed over the last four centuries. Each of the 12 rooms has clothes from different times. Kids will love the mini-skirts and high-heeled shoes from the 1960s!

This month there is a special exhibition of dresses that visitors can actually try on. These are from the 18th and 19th century so remember to bring your camera! The museum is open from 10 o'clock until 5 o'clock on weekdays and until half past five on Saturdays and Sundays. Entrance costs £7 for adults and £5 for children under sixteen. There's also a special family ticket for £20 that covers two adults and four children.

One possible version:

Hello, everyone!

I'm glad to share with you about how I learn English.

Firstly, I listen to my teacher carefully and write the important points down on my notebooks. After class I revise the lessons. And before the next class I prepare new lessons to find out the questions. Then I will listen carefully in class.

Besides, I listen to the tape and speak with myself. It's really good for improving my listening and speaking.

Last but not least, I often read English and magazines to enrich my knowledge on English culture.

I believe, we can learn English well as long as we learn it hard.

That's all. Thank you.
