We would like to invite you to give a lecture on how to read English novels at 4:00 o'clock next Tuesday afternoon in the school lecture hall. Your lecture will help us to explore English culture.

Thank you for considering our invitation. Looking forward to hearing from you soon.

Best regards,

第三节（满分 15 分）

When we finally reached our house, Mom opened the front door. I smelled a roast cooking and knew there'd be hot baked potatoes to go with it. As I stepped inside, she opened her arms wide and I fell into them. Dad was right behind me and put his arms around both of us. Ordinarily, I'd pull away, but this time I didn't. They both released me a few moments later, and that's when I saw the tears in Mom's eyes. I lowered my head and blinked twice really fast, trying to hide my own tears. I made a promise to myself not to hurt them like that again. They were doing the best they could. I knew the changes I had to make wouldn't take place overnight, but as I looked at my parents and felt the warmth in my house, I realized there's no place like home.
