One possible version:

Dear Steven,

I am Li Hua.I'm glad to tell you that our school will celebrate its 100th birthday this July.Can you recommend a student to address at the opening ceremony in English?

Above all,the student is supposed to have a good command of both written and spoken English.At the same time,he or she must hold a positive attitude towards study and life and enjoy a good fame or high popularity among students.Of course it would be even better if the student has enough experience of giving speeches.

I would appreciate it very much if you could do me the favor.Looking forward to your early reply.

Yours,

Li Hua
