第一节 (满分 15 分) (One possible version)

Dear Jack,

I really appreciate your invitation to travel to France. But I have to decline it for some reasons. First, the long-distance tour costs a lot, which my family can't afford. Besides, travelling abroad takes much time, which will otherwise be used for my studies.

So I have some other idea of the summer tour. How about a less costly five-day tour to Beijing? As a cultural center heavy with history, Beijing can allow us not only to experience unique Chinese cultures but to taste distinctive cuisines. We're sure to enjoy ourselves there!

Looking forward to your early reply.

Yours ever,
Li Hua

第二节 (满分 25 分) (One possible version)

Until the competition day, I practised my speech whenever possible. I even designed the necessary hand gestures and did repeated practice in front of a mirror. Then came the big day. When my name was called, I went up to the stage confidently and started presenting my speech with full enthusiasm. As I had expected, it was a real hit. The moment my speech ended, I was greeted with a standing ovation from the audience. Finally, I was declared the winner of the first prize and awarded the title of Best Speaker.

As I went off the stage, I heard someone call my name. Turning around, I found Fatin, the girl I admired, waving to me. She approached me and said cheerfully, "Hey, Sneha! You gave us such an amazing speech. Never had I expected you to be so great! Would you like to be friends with me?" "Sure, Fatin!" I happily accepted her friendship invitation without any hesitation. Since then, the two of us have supported and inspired each other through thick and thin. So take up your courage and show your best to the world. Some day you can achieve what you initially dreamt of.
