Thrilled to learn that a group hiking trip is scheduled by our school, I am writing to invite you, a nature lover, to join us.

We're to gather at the school gate at 8 a.m. this Saturday and leave for our destination—South Mountain Park, a nature lover's paradise. There we will hike through towering redwoods, marveling at the natural wonders. To make the 3-hour hike delightful, remember to prepare some essentials, such as snacks, drinks, and sunscreen. Looking forward to spending time with you.

Sincerely,

One Possible Version: (182words)

When the show began, I took a deep breath and announced the first pet. It was a beautiful parrot named Butter, who was carpeted with green and golden features with a red tail. Butter immediately became the focus of the audience. Following her owner's instructions, Butter parroted "Good morning" in a rough voice and interacted with the audience in a funny way, soon winning thunderous applause. Everything went smoothly, and everybody present was immersed in the talent show. I was beginning to feel calmer on the stage and came to believe that being an announcer wasn't so bad.

Then it was Carla and Perro's turn. "Sit, Perro," Carla demanded, but Perro wasn't so interested, leaving Carla at her wits' end. Suddenly, Perro leaped at me at a high speed. My heart was pounding wildly, yet I knew I had to do something. "Stop!" At my voice, Perro slowed down his pace, looking at me with his tail wagging. I instantly decided that I could direct Perro right here. Under my instructions, Perro walked with his two legs in perfect circles, even dancing to music. Looking at the cheering crowds, I heaved a sigh of relief, "Carla's great ideas are not always big trouble."

Text 2 (第 2 题为推断题)

M: What should I do if I want to borrow some books?

Text 3

W: Hi, Harry. I heard you spent the summer traveling around South Africa.

Text 4

M: Mom, can I have some ice cream after lunch?

W: Are you crazy? It's freezing these days. That's why we are having hotpot at home today. (4)

M: Can I play outside for a while?

W: Okay, but don't take off your coat and don't go far. It's going to rain.

Text 5 (第 5 题为主旨大意题)

M: What a beautiful cup! Where did you get it?

W: Okay! Can I bring you some coffee or tea with your dessert?

M: We would like two coffees and two teas.

M: What do you think of this apartment? (8)

W: It's quite good. It's not small, and the rent is reasonable. But I don't think I can stand the aircraft noise here. It's so close to the airport. (8)

M: I feel the same. How about we continue renting our current one? We have lived there for almost

four years. I don't feel like moving out.

W: Me neither. But the homeowner Mary asked for 500 *yuan* extra a month, starting from next month. And our monthly rent is already as high as 2,000 *yuan*. (9)

M: But if we live far from the city center, we will spend more time and money on the commute. We will need to get up early from Monday to Friday.

W: You are right. Why bother packing and moving? I will ring Mary and renew our contract. (10)

M: Great.

M: Oh yes. I have been waiting for 20 minutes, after arriving here at fifteen to eight. (12)

W: The bus is quite late this morning! The buses should run every 10 minutes.

M: What is going on? It's not a rainy day. There shouldn't be any traffic jams.

W: I just checked the map application on my phone. It says a car accident happened near Horizon Mall about 30 minutes ago.

M: That explains it. I hope no one got hurt. And I can't wait anymore. But if I walk to my office, I will be late.

W: Why don't you ride the shared bike over there? It will save time.

M: Hmm, good idea. My office is only five stops away. How about you?

W: One of my colleagues is on the way here. She will pick me up then. (13)

M: Okay. Have a nice day!

Text 9

M: Hello, everyone. Welcome to our program. Today, we are fortunate to have a special guest with us. She is Elena Dunneva, an artist born and raised in Russia. But she has lived in Rimini, Italy for over 20 years. (14) So Elena, when did you first start to paint?

W: I had been drawing since childhood. But I gave it up for a long period of time. Until 2018, I started drawing again after taking professional painting courses. For example, I took two online courses at an art school, which helped me learn and improve the techniques of painting. (15)

M: What is it that always inspires you to create?

W: There is no specific person who inspires me. There are only vivid memories that my dad encouraged my drawing skills when I was a child.

M: Who is your favorite artist?

W: Oh, there are many, such as Mikhail Vrubel from Russia and Claude Monet from France.

M: Then what are you working on next?

W: I plan to finish my collection dedicated to Rimini, organize a new exhibition and take part in international painting competitions. (16)

I am pleased to announce that our annual school book fair is back. (17) Similar to last year, it will be entirely virtual. This year's book fair will run from Monday, December 6th until Friday, December 10th. (18) Families can order books online during this period.

This year, you can join us for an online visit from the author LeUyen Pham. She has written and illustrated many of our beloved books. (19) Pham will discuss her new book, *Outside, Inside*, which tells the story of how the world has changed during COVID-19 through moving illustrations.

Another author Kyle Lukoff will also pay us a visit. His book, *Too Bright to See*, is a 2021 National Book Award finalist. It is an exciting story covering gender identity, friendships and the middle school years.

And let's not forget — the book fair is a great fundraiser that both parents and kids can enjoy together! Please remember that all purchases benefit our school library and are the only source of money for the library books and supplies! (20)
