- help him/her choose a school club of Quzhou NO.1 Middle School

Sample:

Kate: I am amazed at the variety of school clubs in your school.

S: It does offer many clubs. Actually I am a member of the Debate Club because I'm fond of expressing ideas.

Kate: Good decision!

S: How about you? What do you like?

Kate: I'm wondering which one I should choose, Zhouxun Film Viewing Club or Jin Yong Literary Club?

S: I guess the question is ... Do you like watching films better than reading novels?

Kate: Actually, I like both, but maybe watching films is easier for me in this case.

S: I think you're right. Zhou Xun is an excellent actress. We can talk about her films after you watch some.

Kate: I'm looking forward!
