Homework

✓ Based on the outline(提纲), finish writing the two paragraphs. Pay attention to the connection between paragraph 1 and paragraph 2.

Possible version 1:

Para 1:

A seat beside her was empty, and Dannis occupied it. He felt a wave of anger swept over him. “Where is my wallet?” he yelled. The black-haired girl glanced up from her reading, with a confused look on her face. Dannis stood up, glared at her and shouted, “You stole my wallet!” The crowds began to gossip. The girl turned deadly pale, looking so restless that words failed her. A strange silence hung in the air. Abruptly, she leaped from the seat.

Para 2:

The girl ran and Dannis ran after her. After a while, Dannis finally grabbed her by the arm. At exactly that moment, a policeman approached them and asked about what happened. Dannis hastened to explain it while the girl frowned with a shake of her head. After further enquiries, the policeman took out a wallet and handed it to Dannis, adding that someone had found it in the toilet. What a mistake he had made! Overwhelmed by guilt, Dannis made an apology to the girl.
