What Can We Do for Our School?

Hello, everyone. It's my privilege to deliver a speech about "what we can do for our school", and I think each of us can contribute to beautifying our school.

The first thing we can do is to make our campus more beautiful by protecting the flowers, grasses and trees in the school, or organizing a thorough cleaning on the campus. Second, we should carry out waste sorting so that less pollution will be caused. Last but not least, when we leave the classroom, never should we forget to turn off the light to save energy.

I believe if everyone makes a little effort, we'll make a big difference to our school! Let's do our part for our school.

Thank you for listening!
