*Once in the hallway, Ralphie raced over to Mrs. Addison's room. Anxious and nervous, he knocked at the door. With Mrs. Addison's permission, Ralphie pushed the door cautiously. "I'm exceedingly sorry for what I have done in class." He apologized, sitting there in silence. Thinking of the detention from Mr. Hudson, again, Ralphie raised his head and asked if he could go to the washroom. Mrs. Addison agreed. On the way, he decided he did actually need to use the washroom. (76 字)*

*After washing his hands, Ralphie tried to open the door of the washroom, but found the lock was stuck. Frightened and panicked, he employed all his strength to try again but in vain. He yelled in a loud voice, hoping to be rescued. After what seemed ages, he heard two familiar voices of Mrs. Addison and Mr. Hudson! Ralphie jumped to his feet and struck the door heavily. With the help of the two teachers, Ralphie ultimately came out. The boy explained the whole story to the two teachers, promising that he would never do that again. (78 字)*

W : The zoo's closed all weekend . Maybe we could go horse-riding ?

M : I am not sure I can afford that.

W : Hmm , that movie about the woman who rescues animals is on . We could see that .

M : Fine

( Text 2 )

W : Tell me all about how the wedding went !

M : I wish I could , but I missed.

W : Were you too busy to go to it ?

M : No I got really sick on Friday night . I thought I had the flu , but it turned out to be food poisoning . So I couldn't go to the wedding .

( Text 3 )

M : How are you and your roommate getting along ?

W : Pretty well . She usually comes home late , but she's always careful not to make any noise in case I'm sleeping . She's very thoughtful.

M : That's nice.

W : Yeah . She's a real change from my old roommate, who only cared about herself .

( Text 4 )

M : This town is a healthy place to live in . There are many trees , and the air quality is good . I guess that's because there isn't a lot of industry.

W : Yeah . But no industry means no jobs . It is difficult to find work around here . The city should bring more businesses here .

( Text 5 )

M : What an awful month we are having !

W : It's pretty bad , isn't it ? So hot and wet It's hard to sleep at night in our dormitory.

M : It's not usually this hot in the fall . Well , I think I'm going to get some more ice cream in the store.

( Text 6 )

W : How are you going to get home from the restaurant later , Harry?

M: Oh, I can just take a bus or a taxi. There are usually plenty of taxis around this area at night.

W : Yes , but not on a Sunday night. You might wait for a long time. Why don't you ask Kevin to drive you home ? He's having dinner with us and he lives near you.

M : That's right . I'll ask him when he's back from the bathroom.

( Text 7 )

M : So , Maria , is it true you're going to retire soon ?

W : Yes . I'm going to be thirty-five soon , so it's getting harder and harder for me physically , and I'm still recovering from that last back injury I had . But the main reason's that I need to spend time with my little boy . He's only two and he's growing up so fast . I don't want to miss it.

M: So you don't enjoy being on tour any more ?

W : It's not that I don't enjoy . It's just not practical any more . It'll actually break my heart to give up dancing in public .

( Text 8 )

M : Have you seen a brown briefcase ? I had it with me when I came in this morning but I can't seem to find it anywhere.

W : I think Andy was asking around about a briefcase . Why don't you ask him ?

M : Thanks . By the way , congratulations on your new position.

W : Thank you .

M : They couldn't have appointed anyone better . You' ll make a great director of operations , Margaret.

W : That's very kind of you , Sean. Ah... and there's Andy .

M : With my briefcase under his arm . What a relief ! See you at the theater tonight?

W : Not sure . Had a really long week so I'll probably take a hot bath and go to bed .

M : Yeah . Tomorrow is the day off and you can have a good rest.

W: Absolutely . So what will you do at the weekend?

( Text 9 )

W : Can I ask what kind of ticket you bought ? I assume it wasn't a season ticket .

M : That's right. No , I just got a normal return ticket . I don' t have a railcard so I didn't get any discount.

W : Yes - you'd have saved 40% on your ticket today . The single ticket is \$ 20 . So you paid the full price for your return ticket ?

M : I paid \$ 30 .

W : Do you usually buy your tickets at the station ?

M : Well , I do usually but the ticket office closes early and I hate using ticket machines . I think ticket offices should be open for longer hours . There's always a queue for the machines and they're often out of order. So I got an e-ticket online.

W : And , is there anything you weren't satisfied with ?

M : Well , normally , the trains run on time and are pretty reliable but today there was a delay; the train was about 15 minutes behind schedule .

W : What would you say you were satisfied with today ?

M : well , I like the Wi-fi on the train . It's improved a lot . It makes it easier for me to work if I want to. And the food and drinks are cheaper than before.

(Text 10)

M : Hello everyone , Now I'll tell you about our trips . On Monday , you will have a forest walk . It's a guided walk of about seven kilometers .There'll be a stop halfway , and you'll be provided with a drink and sandwiches . There are some fairly steep climbs up the hills , so you need to be reasonably fit for this one and bring a waterproof jacket in case it rains .

Then on Tuesday we organize a cycle trip , which will give you all the fun of biking without the effort . We will take you and your bike up to the top of Mount Lama , and leave you to bike back to the camp . It's a pity that you may not have fantastic views because it isn't a clear day according to the forecast .

On Wednesday you 'll be taken to a factory where jewelry is made . If you want , you can buy some of the souvenirs but that's entirely up to you . The trip starts after lunch , and you'll return by 6 pm.

On Thursday we can offer trips to the observatory for those who are interested in astronomy . And you'll be shown the huge telescopes and have a talk from an expert , who'll explain all about how they work.

Finally , the last day , there's horse riding . It's a great experience if you're a keen horseback rider , or even if you've never been on a horse before . They take you down to the beach , and you can ride a horse along the sand and through the waves.
