One possible version:

In order to inherit intangible cultural heritage, our school held a seal cutting art exhibition in the library last Sunday. All the students participated in it.

During the exhibition, various kinds of Chinese characters carved into small squares of stone and stamped onto the paper with ink were on show. What's more, opportunities were provided for students to learn the basics of seal cutting.

Thanks to this rewarding activity, we students were aware of the responsibilities we shouldered to inherit intangible cultural heritage.

人物特点：

I	我是一个蛋糕师。平时因为好动妹妹的恶作剧很无奈，这次因为她弄坏了我精心为奶奶准备的生日蛋糕而难过又恼火。
Jenny	活泼好动爱闯祸，这次因为嘴馋偷吃了姐姐精心准备的生日蛋糕而被训斥。

故事主要情节：我有一个活泼好动的妹妹，平时喜欢恶作剧。为了庆祝奶奶的生日，我们全家去看她。但我却为准备一个有意义的礼物而头疼。我在街上看到蛋糕店产生了灵感，为她亲手做了一个蛋糕当作生日礼物。但却被妹妹发现并偷吃了上面的奶油，弄坏了蛋糕的图案。我因此非常生气并把她赶走了。

根据段首已给信息续写文章，思路如下：

Paragraph 1:

Mom appeared in the doorway with Jenny by her side. 根据第二段首句的提示，我们得知，作者在妈妈的劝说下原谅了妹妹并想和妹妹改善关系。所以第一段建议通过语言和动作主要描写作者和母亲之间的对话，也可以加入妹妹的道歉。

Paragraph 2

Suddenly, I came up with an idea to solve the cake problem and improve my relationship with my sister. 第二段写解决办法和升华。解决办法可以写作者和妹妹共同修复蛋糕或一起重新做了一个蛋糕送给奶奶。升华可以写作者通过这件事的情感变化明白白生气和愤怒是不能解决问题的，家庭当中爱 and 原谅才是最重要的。体现人与自我，和谐家庭价值观的主题渗透。

One possible version:

Paragraph 1:

Mom appeared in the doorway with Jenny by her side. Jenny was crying, tears rolling down her cheeks. Mom's gaze shifted to my cake, which I held with shaking hands. She gently pushed Jenny out of the room, shut the door and sat down next to me, "Lora", she whispered, "I'm so sorry. I know you take a long time to prepare it. Jenny is naughty sometimes, but your yelling at her doesn't solve anything. Jenny has realized her mistake and she wants to apologize to you. Can you forgive her and let's think of a solution together?" I agreed with my mom and forgave my sister. But what should I do with my cake?

Paragraph 2:

Suddenly, I came up with an idea to solve the cake problem and improve my relationship with my sister. I said to Jenny, "Do you want to repair the cake with me?" Jenny said yes in surprise. We shifted the pattern according to Jenny's destruction. And then we went out to present the special birthday cake and the story behind it to our grandma. Grandma smiled with her eyes sparkling. "Do you know why I love it so much? This cake represents the bond you and Jenny share. This is the most beautiful and delicious cake I have ever had. I'm glad to see you can forgive Jenny and make the cake together." At this moment, I realized that love and forgiveness mattered most in the family.
