- 一、续写**情节**构建的问题
- 二、续写**情节**构建的策略与案例分析
- 三、续写中的**语言**问题
- 四、续写中的**语言**提升策略与案例分析
- 五、几点**建议**

一、续写情节构建的问题

1. 文章理解不到位，续写情节与原文脱离

- *But no more helicopters came and it was getting dark again. Jane and Tom drove* the car for three hours by a lake in the forest. (2016年10月)
- “She finally went home happily *with the helicopter.*” (2016年10月)

一、续写情节构建的问题

2. 违背真实生活，缺乏合理性

- The car abruptly stopped in front of him. Mac said, "Hi, I am Mac and I am going to Alaska. Where are you going?" Paul answered, "Nice to meet you. I am Paul, I am going to Alaska too." (2017年6月)
- They went back home. Mac decided to tell his parents and wife what happened. He thought it was an amusing experience. It was personal and someone never met or experienced it. He was very lucky. (2017年6月)

一、续写情节构建的问题

3. 融洽度不高，衔接不合理

读后续写的融洽度高，衔接合理表现在以下四个方面：

- (1) 续写情节与原文高度相关；
- (2) 续写情节发展连贯合理；
- (3) 续写两段之间衔接紧密；
- (4) 续写段落开头语与后续连贯。

- After a long thinking about her family, she fell asleep. The next day she was woken up by a singing bird. She smiled to it and walked away to find the right way to the lake. Everything was going better with the support of her family. (2016年10月)
- “But no more helicopters came and it was getting dark again. Jane became satisfied with herself.” (2016年10月)

一、续写情节构建的问题

4. 出现大量对白，段落之间不平衡

- Mac **asked**, "Where are you going?" Paul **answered**, "We are going to Alaska." He **said**, "Can I take your car? There is a wolf." Paul **said**, "Of course, come in, please."
- 人教版教材第五模块第二单元的Learning about language板块呈现了**whisper、smile、advise、beg、suggest、decide、shout、agree、scream、complain**等人物对白时使用的词汇，非常富有表现力。还有比如**murmur, stutter, stammer**等词汇。

一、续写情节构建的问题

5. 主题升华牵强，甚至画蛇添足

- In life, there are also difficulties, like fierce wolf, but no one should trap you, as there is love from our family. Calm down and beat the trouble.
- The kindness of human being will never disappear and that is what makes the world a warm and wonder place to live in.”

二、续写情节构建的策略

1. **深入解读**文本，为合理续写奠定基础
2. 从原文**整理**出几个要点，从中推理出续写的主要情节
3. 根据所提供的**段首语**推理情节，确定续写方向
4. 根据**关键词**获取短文信息，预设续写情节
5. 根据**生活常识或故事的发展**，合理增加情节

二、续写情节构建的案例分折

He met her at a party. She was outstanding. Many guys were after her, while he was average looking, shy and awkward. After the party, he invited her for coffee. She was surprised, but out of politeness, she accepted his invitation to go on a date.

As they sat in a nice coffee shop, he was too nervous to say anything and she felt uncomfortable. Suddenly, he asked the waiter, "Could you please give me some salt? I'd like to put it in my coffee."

They stared at him with a strange look! His face turned red, but when the salt came, he put it in his coffee and drank it. Curious, she asked, "Why this unusual habit?" He took a couple of sips and replied, "When I was a little boy, I lived near the sea. I liked playing in the sea. I could feel the taste of the sea, just like the taste of the salty coffee. Now every time I have the salty coffee, I always think of my childhood and my hometown. I miss it and my parents, who are still there."

She was deeply touched. A man who can admit his homesickness must love his home and care about his family. He must be responsible. She talked too, about her faraway hometown, her childhood and her family. That was a really nice talk, also a beautiful beginning of their love story.

They continued to date. She found that he met all her requirements. He was tolerant, kind, warm and careful. He was such a good man and had it not been for the salt in the coffee, she'd never have really known him!

The rest of the story was just like any other beautiful love story. They lived happily together. And every time she made coffee for him, she liked it.

After 40 years, he passed away and left her a letter which said:

续写两段的段首语:

Para.1: My dearest, please forgive me for my cheating you all these years. How about our first date in the café?

Para.2: She was shocked by the letter, with the feeling of being cheated.

1. 深入解读文本，为合理续写奠定基础

◆ 内容

who	He (the hero)
	She(the heroine)
when	From their first date until 40 years after their marriage
where	At a party and a coffee shop
what	He met her at a party and finally got married. Before death, he left her a letter asking for forgiving.
why	学生续写
how	

1. 深入解读文本，为合理续写奠定基础

◆ 意图

“They continued to date. She found that he met **all** her requirements. He was **tolerant, kind, warm and careful**. Every time she made coffee for him, she put in some salt, the way he liked it.”

“Sweetheart, I don't exactly like salty coffee. But as it mattered so much to you, **I've learnt to enjoy it**. If I could live a second time, I hope we can be together again, **even if it means that I have to drink salty coffee for the rest of my life.**”

2. 整理要点，推理续写主要情节

(1) At a party, an **outstanding** girl accepted an **ordinary** boy's invitation **out of politeness**.

(2) 通过上述4个重要的要点可以合理地推理出续写的主要情节。

(3) **第一段**：丈夫在信中解释自己编造谎言的原因并乞求妻子的原谅；

第二段：妻子看到书信后的心理反应和行为变化。

(4) After 40 years, he died and left her a **letter asking for forgiving**.

3. 根据段首语推理情节，确定续写方向

两个段首语是很重要的续写提示，在很大程度上控制着情节的**发展方向**。对段首语进行分析、设问，结合上文整理出的要点直接或间接推理出续写的主要情节。

第一段情节的构建要成功搭建本段与前文、后文的**桥梁**。表现在**三个**逻辑上的衔接：与原文情节的衔接；与段首语的衔接；段尾与第二段段首语的衔接。

第二段是文章的**结尾**，情节的构建要与给定的段首语衔接，要关注与文章开头的遥相呼应，根据具体语境弘扬感情的真、人性的善或拼搏的美，从而**凸显主题，升华精神**。

3. 根据段首语推理情节，确定续写方向

第一段可能的情节发展推理

对段首句 “My dearest, please forgive me for my cheating you all the time. Do you still remember our first date in the café?” 进行设问：

- What did he do to cheat her?
- Why did he cheat her all the time?
- What happened at their first date in the café?

He explained why he made up such a story and asked her to forgive him for his life-long lie.

从第二段首句的关键词shocked和the feeling of being cheated 结合上文整理出的要点3可进一步推知：

She never doubted it that he liked salty coffee.

She even tried to meet this special need, which showed what a devoted and considerate wife she was.

3. 根据段首语推理情节，确定续写方向

第二段可能的情节发展推理

对段首句 “She was shocked by the letter, with the feeling of being cheated.” 进行如下设问：

- **Hadn't she felt anything unusual and suspected her husband in the past 40 years?**
- **Would she forgive him for his life-long lie?**

She broke down, regretting her naïve decision years before. She would never forgive him and never marry him again if given a second chance.

Reflecting on what he had done for her in the past decades, she came to understand his white lie and chose to forgive him. She would marry him again if given a second chance.

4. 根据关键词获取短文信息，预设续写情节

段落	情节发展方向	运用关键词预设的续写情节
第一段	男主人公为自己的谎言 道歉	<i>Their first <u>date</u> in the <u>coffee shop</u>; asked for <u>salt</u> instead of sugar due to <u>nervousness</u>; made up a story to keep the love with the <u>outstanding</u> girl; regretful for his life-long lie.</i>
第二段	读完信后女主人公的 心理反应与行为变化	<i>Heartbroken; couldn't believe a <u>responsible</u> husband should be a liar; aware what he had done met all her <u>requirements</u>; understood his white lie and decided to forgive and <u>marry</u> him again if given another chance.</i>

5. 根据生活常识或故事的发展，合理增加情节

在不影响主要情节的前提下，可以合理增加一些内容，作为续写的次要情节。可以根据情节的需要增加**细节描写**（环境描写、心理描写、外貌描写等），起到烘托环境气氛、刻画人物性格和揭示主题思想的作用。

5. 根据生活常识或故事的发展，合理增加情节

第一段可以增加的次要情节有：女孩接受邀请让男孩很意外；男孩其实很讨厌咸咖啡，但为了爱，他忍受了一辈子；男孩曾无数次想告诉女孩真相，但怕失去女孩最终没有告诉她，等等。

*Actually it was entirely **out of expectation** that you accepted my invitation to the café. Can you imagine how excited but meanwhile nervous I was in face of such a charming and outstanding young girl? To be frank, I **hated** salty coffee, but each time we dated, you volunteered to order salty coffee for me, which tasted strange and bad in my mouth, but sweet and warm in my heart. I had **tried countless times to tell you the truth**, but I was afraid of losing you.*

5. 根据生活常识或故事的发展，合理增加情节

第二段可以增加的情节有：桌子上的一个**相册**勾起了女主人公对过去美好生活的**回忆**，想起了丈夫为她所做的点点滴滴，理解并原谅了丈夫；女主人公亲自**沏了一杯咸咖啡品尝**，意识到咸咖啡是多么难喝，理解了丈夫默默无私地付出，等等。

*Suddenly, she rose and ran into the kitchen. Having **made** a cup of coffee, she put some salt into it. Hardly had her mouth approached the coffee cup when a strange and bad smell made its way straight into her nose. She hesitated, and then tried to sip a little. God, she had never had such bad coffee. How could he tolerate it for his whole life? Instantly she became aware that the man who willingly drank salty coffee was worth cherishing permanently.*

5. 根据生活常识或故事的发展，合理增加情节

在情节构建中，还可以增加描述女主人公从感觉被欺骗到理解丈夫的**心理变化及情感表现**的情节，以增强文章的感染力。

Simultaneously, a sense of **regret and despair** slowly crept upon her rippling over her body. She slowly **sank into** the sofa. It was unbelievable that her seemingly devoted husband made such a big lie. Sitting silently in the sofa with **tears rolling** down her cheeks, she became **conscious neither** of time nor space **nor** anything surrounding her. Her world came crashing down.

三、续写中的语言问题

- They hugged and kissed each other.
He bent over the golden head, and put the rosy lips to his, and folded her in his arms.(A Tale of Two Cities)
 - She fell down and hurt her legs.
She tripped and fell and broke her legs.
 - There are many stars in the sky.

 - She walked alone in the forest, tired and hungry.
She staggered alone in the forest , tired and hungry.
- Why not founding her?*
- With nervous and confused, she walked back to----
-----, which made she shake while walking.*

四、续写语言提升策略

1. 夯实**语言基础**，写好简单句，消除常见的词汇和语法错误，为自己的写作**雪中送炭**；
2. **适当而恰当地**运用**高级**词汇、句型和语段，为自己的写作**锦上添花**；
3. 多练续写**微作文**，长短句结合、简单句与复杂句**结合**；
4. **积累**记叙文、故事方面的词汇、句型和语段，重视**细节描写**，以打造鲜活灵动的人物形象和丰富充实的情节链条。以**动作描写、语言描写和心理描写**为主，辅之以恰当的**外貌描写和环境描写**。

续写细节描写案例分析

The Beach House

It's a perfect family summer seaside holiday. Occasionally some white clouds floated across the blue sky. The sandy beach was soft and comfortable. The water was glistening in the morning sunlight and the surf was cool on their feet as Krin and Paula leisurely walked along the water edge. The brother and sister began to make some sandcastles. Not far away, mother sat under a big umbrella, reading a book with a bottle of lemonade in her hand. Father was busy exchanging a few words of greetings with strangers he met on the beach.

Suddenly, Krin spotted some pieces of seashells lying scattered on the picturesque beach and small holes stretching along it where the crabs had hidden. He immediately invited Paula to collect shells and search the holes together with him. They were having a ball exploring what appeared to be a never-ending beach.

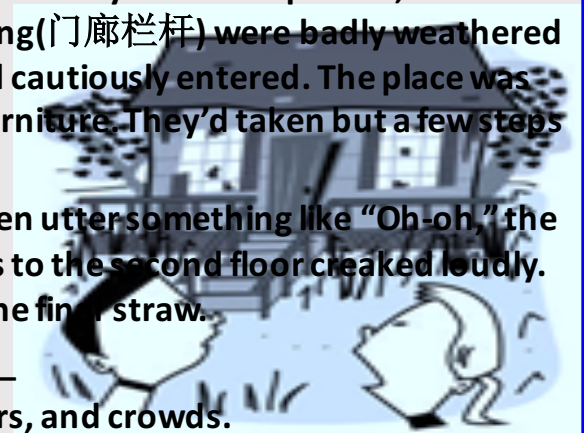

After a while, they stopped and looked back. Their parents and the umbrellas, beach chairs, and crowds were a long way off. But just ahead, hidden amongst sea grape trees stood a run-down house that seemed to be out of repair for years. It appeared to be unoccupied. Curious, they went to investigate.

The front steps to the doorway of the house creaked(嘎吱作响) as they carefully climbed up them, so did the porch when they stepped onto it. The dusty windows and porch railing(门廊栏杆) were badly weathered and broken. The front door was half open so they squeezed through and cautiously entered. The place was in a total mess, covered with dust, sand, dead leaves, and overturned furniture. They'd taken but a few steps when the door unexpectedly slammed shut behind them.

Scared, Krin and Paula were frozen to the spot. But before they could even utter something like "Oh-oh," the windows abruptly closed, too. And if this wasn't scary enough, the stairs to the second floor creaked loudly. When a light in the back bedroom flickered(摇曳), that was absolutely the final straw.

"Let's get out of here, Paula!" screamed Krin. _____

Out they ran, all the way back to those wonderful umbrellas, beach chairs, and crowds.

Outside the House (Para 1-2)

floating clouds

glistering water

scattered seashells

How does the author show they were having a **perfect** and **relaxing** holiday?

Descriptions of surroundings

A soft breeze gently kissed her hair. The golden red sun was setting. She was spellbound by its color, softly fading into yellow. She could hear nothing but the waves and the seagulls flying up above. The last sunshine gradually cast her shadow on the beach, leaving a long and charming figure in sight.

Descriptions of **surroundings**

The gathering clouds threatened an approaching storm. As darkness increased, everyone had left the café except an old man. He sat in the shadow of the leaves of the tree that swung lonely in the cold wind. The street was deserted and the light was slightly gloomy. The two waiters there knew that if he became too drunk he would leave without paying, so they kept watch on him.

Into the House (Para 3-4)

The front steps to the doorway of the house **creaked** as they **carefully climbed** up them, so did the porch when they **stepped** onto it. The dusty windows and porch railing were badly weathered and broken. The front door was half open so they **squeezed through** and **cautiously entered**. The place was in a total mess, covered with dust, sand, dead leaves, and overturned furniture. They'd **taken** but a few steps when the door **unexpectedly slammed** shut behind them.
