佳句赏析

You can tell whether a person is clever by his answers, you can tell whether a person is wise by his questions.

--- Mahfouz Naguib

Unless a man undertakes more than he possibly can do, he will never do all that he can.

--- Henry Drummond

It is time for us to stand and cheer for the doer, the achiever, the one who recognizes the challenge and does something about it.

--- Vince Lombardi

遣词造句

Group 1: frequent; enrich; vocabulary; have a good command of

To have a good command of English, I frequently read books, enriching vocabulary and improving fluency in writing as well.

Group 2: recognize; request; come up; play a part in

It's recognized that hard work plays an important part in one's success. As a result, proposals came up in class meetings at the request of the teacher in charge in recognition of diligent students.

Group 3: voyage; fluent; accent; at present

At present, he is taking a voyage to Japan. It's said that fluent English doesn't work with Japanese whose accent prevents people's understanding.

Group 4: actually; expression; such as; make use of

Actually, the more frequently you make use of English expressions such as "It's a deal." the more authentic your English sounds.

Because of globalization, it is recognized that English plays an important part in international exchanges. Whether it is as an official language or a second language, it is requested that we should learn English well because having a good command of English means more opportunities in the future. Here are some tips.

Firstly, do remember that success is based on hard work. Frequent practice contributes to your fluency. Secondly, we should make full use of any time available to do more reading, which can broaden our view as well as enrich vocabulary and enables you to familiarize the usage of English expressions. Actually, everything comes with a price, there is no such thing as a shortcut in English learning.
