第二节 书面表达（满分25分）

Dear John,

How is it going these days? I'm writing to tell you that I will fly to your country to participate in the tour-and-learn summer camp during my winter holidays.

Through the trip, not only can I have a better knowledge of the customs and history of your country, but also I can develop my ability to survive independently. What's more, it is an excellent opportunity to practice my spoken English. The more I use it, the better it will be. However, what I'm concerned about is that I may have difficulty in communicating with the locals. After all, there exist some cultural differences between China and Australia. In addition, the climate and foods there may disagree with me. I'd appreciate it if you could give me some advice.

Looking forward to your early reply.

Yours,
Li Hua
