Dear Mr. James,

Learning that you are looking for someone to teach your 8-year-old son Chinese, I am writing to recommend my friend Wang Ming.

Discipline and diligence makes Wang Ming one of the top students in the class. Being good at Chinese and English, he once won the first place in our school speech competition. Besides, he is easy-going and willing to help others. In short, I am convinced that he is an ideal candidate.

I would be appreciative if you could consider my recommendation favorably.

Yours sincerely,

Li Hua

第二节:读后续写(满分 25 分)

The next day, Emily nervously glanced at the list on the door of the choral room. She was not rejected this time. Her name was posted at the top of the list. She, Emily White, was chosen to be the leading singer! She would sing alone in the performance. Emily couldn't believe her eyes. There must be some mistake. But Mr. Butler said to her with determined eyes. "Emily, I choose you because you should perform the part -your voice is unusual. Believe in yourself." Greatly encouraged, Emily practiced really hard.

Finally the day for the performance came. Standing in front of the line, Emily felt her throat tight and her palms sweating. When the curtain opened up, the eyes of the whole audience fell upon Emily. "Emily White!" someone whispered. Then, along with the first note of music, Emily began to sing her heart out. Her voice was like a nightingale ringing in the auditorium. Applause! Emily felt so happy and comfortable. She was shining on the stage. Emily White, with so many birth problems in her body, was an angel!
