第一节（满分 15 分）

Dear Peter,

I am writing to express my full support for your plan to start an English speaking club this summer. This is exactly what we need, and I'm already excited about the opportunities it will bring to our school.

My suggestion is to organize weekly "Real-Life Scenario Simulations" and "Theme Debates." For the simulations, students can practice everyday conversations like shopping, dining out, or giving presentations. For the debates, divided into two groups, students can choose thought-provoking topics such as "Should AI replace teachers?" To add variety, it is advisable to occasionally invite native speakers or former exchange students to join the club online, sharing their experiences and offering global perspectives.

Practical and engaging, this plan will greatly reduce our fear of speaking, boost our confidence, and improve our fluency. I truly believe this club will make a real difference, and I can't wait to join!

Yours sincerely,
Li Hua

第二节（满分 25 分）

I closed my eyes and followed the sound. Its twinkling notes led me around the corner, where the old truck stood, with the familiar tune still pouring out. Terry was there too, his eyes lighting up with recognition. The sight of him brought back that summer day, my brother's excited voice echoing in my ears. I ordered one ice-cream, my childhood rushing back with each word. Terry handed it over, his hands weathered but steady. I stood there for a moment, holding the cone, the summer heat melting the edges and dripping down my fingers, just like before. 微信公众号IAI English

I paid Terry the price of three ice-creams. "Three? You only took one." He pushed the money back, frowning. I explained, my voice shivering. "It is for my brother and that summer we forgot to pay you." My words seemed to drag him back across the years, back to that hot summer. "Long time no see, kid," his voice broke the silence, warm and familiar. Walking home, the music faded behind me. I realized the truck was never about ice-cream but about being remembered. With the sweet taste melting on my tongue and my brother's memory warm in my heart, that tinkling sound finally felt like a song of reunion.

录音稿

第一节

听下面 5 段录音。每段录音后有一个小题，从题中所给的 A、B、C 三个选项中选出最佳选项。听完每段录音后，你都有 10 秒钟的时间来回答有关小题和阅读下一小题。每段录音播放两遍。现在，你有 5 秒钟的时间阅读第 1 小题的有关内容。

听下面的录音，回答第 1 小题。

(Text 1)

M: How much does a one-way ticket cost from London to York?

W: Start from £15 when you book in advance, up to £45 on the day of departure.

M: I can't get the discount then.

W: I'm afraid so.

听下面的录音，回答第 2 小题。

(Text 2)

M: Did you buy that dress, Sophie? 微信公众号IAI English

W: Unfortunately not, Luke. They had one in my size, but when I looked at the price, I realized that I couldn't really afford it. It was such a pity as it looked really good on me.

听下面的录音，回答第 3 小题。

(Text 3)

M: Did you get your living room painted, Lydia?

W: No, Peter. I've bought all the paint, but I'm still looking for someone to paint it.

M: You know that I'm always here to help. I'm not a professional, but I'm sure I can do a good job.

听下面的录音，回答第 4 小题。

(Text 4)

W: What did you think of the geography trip?

M: I felt it lived up to my expectations. As far as the coursework we did was concerned, I really feel I know what I'm doing now.

W: I felt the same way.

听下面的录音，回答第 5 小题。

(Text 5)

W: I think we're almost ready for the presentation tomorrow. Just a few more things. The meeting will start at 9 sharp. So could you double-check the meeting room today?

M: Yep, I'll go right away.

第一节到此结束。

第二节

听下面 5 段录音。每段录音后有几个小题，从题中所给的 A、B、C 三个选项中选出最佳选项。听每段录音前，你将有时间阅读各个小题，每小题 5 秒钟；听完后，每小题都有 5 秒钟的作答时间。每段录音播放两遍。

听下面的录音，回答第 6 和第 7 小题。现在，你有 10 秒钟的时间阅读这两个小题。

(Text 6)

W: Have you tried that new restaurant, Paul? The review I read said it was really good.

M: It must have been the same review I read. That's why I went last night. I was disappointed, though, Beth. The service was very slow, and the music was too loud. As for the food, I didn't think it was anything special.

W: I was thinking of going there for my birthday dinner. Maybe I'll choose somewhere else instead.

M: I can recommend a small Italian place nearby. The atmosphere is much better, and the food is excellent.

听下面的录音，回答第 8 至第 10 小题。现在，你有 15 秒钟的时间阅读这三个小题。

(Text 7)

W: I loved the architecture, didn't you? 微信公众号IAI English

M: It was so unusual. I mean, when you think of what's being put up in cities nowadays, you know, all the

shopping centers and places, then you wonder whether anyone actually bothers to design buildings like that anymore.

W: That's right. And the atmosphere inside was just so quiet — you could really take your time admiring everything on display. Those 18th-century vases were absolutely brilliant. You'd never find craftsmanship like that in any modern factory. 微信公众号IAI English

M: Yeah, they really caught my attention, too. In fact, I'm planning to do some research on ancient vases. So I'll borrow some books from the library later.

听下面的录音，回答第 11 至第 13 小题。现在，你有 15 秒钟的时间阅读这三个小题。

(Text 8)

W: So how was your holiday?

M: Great, but it didn't start that way.

W: What happened?

M: Well, I almost missed my plane because I didn't hear the announcement that they'd change the gate. Then when we landed, I was going through passport control, I couldn't find my passport at first — I just forgot where I'd put it.

W: You must be more careful next time.

M: You're right. And on the first night at the hotel, the people next door were arguing about something, which kept me awake. But after that, it was all lovely.

W: So what did you do for the rest of the trip?

M: Well, the hotel staff recommended some local attractions to me. The next day, I went hiking in the mountains and took lots of photos. On the third day, I visited a beautiful beach. In the evening, I tried some seafood at a nearby restaurant.

听下面的录音，回答第 14 至第 16 小题。现在，你有 15 秒钟的时间阅读这三个小题。

(Text 9)

W: Hello, David. How's the local history project going? Are you making good progress?

M: Yes and no. We faced various kinds of problems. None of the group has much experience of cooperating on projects, but we spent some time discussing how to go about it and worked out what seemed a useful approach. But it seems that Jane and I are the only ones actually following the plan. This means that we've fallen behind our schedule. 微信公众号IAI English

W: I see. And that's tricky.

M: Yes, it is. We felt that the targets had been set so we'd all know what to deal with. But looking back, we probably should have really specified individual responsibilities from the beginning.

W: Well, this is quite a common problem, actually. If you go to the resource center, I think you'd find the advice service they provide. They're helpful at this point.

M: Thanks. We'll go there later.

听下面的录音，回答第 17 至第 20 小题。现在，你有 20 秒钟的时间阅读这四个小题。

(Text 10)
